Comfort Craft Linens/Covers

If you have found my relatively obscure website, chances are you already know that I am Jim Craft's preferred seamstress for his wonderful Comfort Craft tables. I have a range of products from standard head rest covers to custom table covers. We own one of Jim's tables ourselves, for my husband's practice - and yes, we plan to get a second one. Comfort Craft tables - what a wonderful tool for the professional! I routinely make custom sheets for the torso and body cushion of the Comfort Craft - rather you have the standard model 800 or the newest model! Prices will vary depending on the thread-count of the sheets you prefer and rather you want a generous fit or an exact fit on your linens. Mattress pads are also available. Contact me for more information and arrangements for your Custom Craft table. Pictured below are the two head rest covers that require no special arrangements: the Donut and the Half-Moon. These Flannel Covers are:

- 100% cotton
- twice as thick and soft as average flannel
- colorful, yet colorfast in the wash
- showing no color loss and virtually no pilling or wear after 30 washings!
